

God's Masterpiece is Mother
by Herbert Farnham

God took pieces of everything
wonderful to make moms.
God took the fragrance of a flower...
The majesty of a tree...
The gentleness of morning dew...
The calm of a quiet sea...
The beauty of the twilight hour...
The soul of a starry night...
The laughter of a rippling brook...
The grace of a bird in flight...
Then God fashioned from these things
A creation like no other,
And when his masterpiece was through
He called it simply – Mother.
